To the German place
for reparation payments

I was born on May 27, 1920, in Rzeszow, Galicia (Poland) under the name of

B R O N I S L A W A F E L I C J A K O H N

At the time of the outbreak of the war on September 1, 1939, I lived with my parents BENJAMIN and AMALIA KOHN and my three years younger brother BERTHOLD in Cracow on Krupnicza Street.

My father owned a building fitting company which, after the German occupation, was confiscated by the city of Cracow, and our family was forced to move to Vilietchka (Wieliczka). In September of 1942 the Jewish settlement in Vilietchka (Wieliczka) was dissolved and by this action our family perished.

I escaped death by a lucky chance and lived for a while in Lemberg (Lvov). I was arrested by the Gestapo there for a while, but after som time I was released. I then travelled to Warsaw, where, with Aryan papers, I worked as a telephone operator and secretary. The Aryan papers were made out in the name of Maria Zylinska, born April 24, 1920.

I was working as a nurse in a Polish army hospital at the time of the revolt of the Polish general Bor, and when the revolt was over in the fall, I was brought, under the protection of the Red Cross, as a Polish prisoner of war to a prison camp in Oberlangen, Germany. The camp was liberated by a Canadian brigade on April 14, 1945.

I had my Polish passport made out to my real name in September 1945 in Brussels, Belgium.

I arrived to stay with relatives in America in February of 1946, and on April 5, 1946, I married my present husband, Alfred Fleissig, who was an American citizen.

The attached documents confirm the above facts, as far as it is possible.

Apart from the impossibility of making reparations for the loss of my parents and my brother, I also lost everything, and my nerves were so damaged during the years 1939-1944 that I am still suffering from it today. It was these nervous conditions that made it impossible for me to make an application for my reparation payments at an earlier date.

With friendly greetings,
Nika Fleissig

The above statement is the truth to my best knowledge and belief sworn to, on this day October 25, 1963

Joseph V. Kennedy

Attention Mrs. Vera Frausnitz - Head of the Department for the Righteous

Dear Friends .

It has been many years since the fateful events of the year 1942. It is important that a good deed be acknowledged. The lady I am describing was for many years my piano teacher, who also became a close family friend. Zofja Poźniak agreed to keep our furs and valuables for us when the German edicts about Jewish property were announced. In 1942 when her husband Prof. Poźniak of the Jagiellon University had already been imprisoned, with other professors from Krakow, she was left alone with 3 little children and had meager means of support. In September 1942 all my family, Mother, Father and Brother and myself were driven at night from Wieliczka (near Krakow) to a transport train and ultimately gaschambers I was forgotten in the commotion late at night and the driver after unloading everyone brought me to outskirts of Krakow and let me go before curfew through Błonia. Went straight to Mrs. Z. Poźniak, Szwedzka 12/3, where She lives now, and stayed there one week while she arranged false papers for me. She and her children would have lost their life had anyone said a word to the authorities. After a week she gave me an address of friends in Lwow and this way saved my life. She also saved it a second time when I was a prisoner of war after Warsaw Unrising - Altengrabov and later Oberkangen. She was sending me some nourishing foods although they had very little to eat themselves. Saved my teeth from scurvy so that I enjoy my own teeth till today. She is now an old and sick lady, full of wonderful spirit and joy of life, very religious Catholic, a friend for 40 years of the present Pope Wojtyła, is even invited to the Vatican this September. Was interviewed by many newspapers during the Pope's visit recently to Poland.

There are so few people of any religion who would put their life in jeopardy, disregarding even the danger to the children that I think it would be proper to show some official acknowledgement for such a courageous deed.

Thank you for your trouble and God Bless you.

Gratuluje Wam i cieszymy sie za Krakow, ktory zawsze byl naszym domem. Od 400 lat nikt zzagranicy nie byl wybrany na Papieza az do dzisaj. Wyobrazam sobie co sie dzieje w Krakowie.

My obecnie czekamy na Alisie z dziecmi i Mezem, ktorzy pszyjezdaja na 2 lata do Ameryki, Los Angeles. Spiswali auto i wszystko inne w Jerozolimje i te pieniadze im pomoga zaczac na nowo w Californji. Itzhak chce sie douczyc w swoim zawodzie "sound man in Television" a potem otworzyc studio specjalne w Israelu.

My mamy zamiar wziac Alisie, Avital i Amir z nami do Mazatlan, Mexico nad Pacyfikiem na pare tygodni azeby dac czas Itzhakowi na znalezienie mieszkania. Potem mamy nadzieje kolo Kwietnia ich odwiedzic, zostac jakis miesiac tam w poblizu ich i cieszyc sie wnukami.

Muszka byla caly miesiac w Rolsce ale siedzial caly czas w Busku, ma bowiem arthritis i moze to jej dobrze zrobi.

Willy jest dalej w Bosotnie, uczy "Urban Renewal etc." w Harvard Univ. i studiuje jednoczesnie na Masters Urban Planning, design and other necessary subjects. My go często widzimy i cieszymy sie ze chociaz on mieszka nie tak daleko. Został wybrany jeden z 7 firm na prezentacje planow na odbudowe spalonego teatru w Provincetown - co jest wielkim wyczynem dla takiego mlodego chlopca. On razem z kolega podali plan odbudowy ktory musial ppkazac duzo wyobrazeni no i bedzie tutaj z nami caly tydzien a 19 Nov. wybiora "a winner".

Dosyc o nas - co uWas nowego, dobrego, jak zdrowie? Marysiu kiedy sie do nas wybierzesz? Napiszcie obszernie o wszystkim.

Nasze odwiedziny do Szwajcarji i Jugoslawji byly b. pszyjemne choc krotkie. Moja Ciocia i Wojciech Licht tssymaja sie swietnie w Zurichu. Przez psypadek zajechalismy ze znajomymi ogladnac odbudowany zamek nad jeziorem Zurichskim iagle widze Polskie Muzeum ktore założyli Polacy 100 lat temu. Pilsudski zabral wiele rzeczy spowrotem do Polski po odzyskaniu niepodleglosci a teraz znowu jest pelno ladnych kostiumow, nuty Chopena, jego reka w gipsie, dokumenty roznego rodzaju.

Dear Mrs. Fleissig,

Re: Zofia Pozniak (2799)

Since the Commission works in a legalistic framework, please have your testimony legalized. If you cannot go to Boston to the Israeli Consular authorities, you can have it legalized by a local Notary public and then send it by registered mail to Boston to the Consulate-General of Israel with the request that they affix their official seal and send it on to us.

If you will proceed with the formalities, we shall try and submit the file as soon as the Commission reconvenes in the autumn. In the meantime I am unable to send her "an official letter" as you ask.

Yours sincerely,

Drodzy Koledzy, Sept. 22 1978

Ja wierze w cuda.

W 1942 roku, jesienią, wyszedł rozkaz aby się stać przed gminą Wieliczki 3 popołudniu ażeby nas wysłać do pracy. Musielismy półtora roku wcześniej opuścić Kraków i z pomocą P. Dudy z Bierżanowa osiedliśmy się we Wieliczce. Nikt nam nie dokuczał i jakos dnie biegły prawie normalnie, tak że nikt nie uciekał, poprostu czekało się...
Pewnego dnia z koncem lata wyszedł rozkaz do gminy aby wybudować i kompletnie wyposażyc szpital dla starszaków, powyżej 65 lat. Oczywiście wszyscy nad tym pracowali i ja będąc siostra miłosierdzia na wypadek wojny pracowałam z wielkim poswieceniem aby umożliwić i ułatwić życie starszym ludziom.

7 dni później nagle zajechaly duże lory i Niemcy wyciągnęli za nogi i ręce wszystkich starszaków z łóżek, zudili ich na ciezarówki i odjechali bez słowa. Zimno mi jak o tym pisze, tyle lat uplynęło i nigdy o tym dniu nie myślałam świadomie, może trzeba pamiętać.
Jak mogę się snodzieć ze nasi młodzi to mogę kiedyś zrozumieć, ja to widziałam i nie wierzę że to jest możliwe.
Wszystkich tych ludzi rostrzelano koło lasu, naprzeciwko musieli wykonać duży row, potem tam ich pochowali.

7 dni później - nasza wedrowka zaczęła się, brawo wcznie na początku, czekaliśmy spokojnie na towarówkę (co za wspaniałe "business" to musiał być wynajmować te auta). Wszyscy zostali naladowani w nocy dopiero na otwarte lory, ja stałam razem bratem Toldkiem, Mamusem i Ojcem w zedzie - nosiliśmy opaski z Mogen David. Nagle podszedł polski policjant, wziął mnie za rękę i szedł prosto do przodu auta gdzie tylko szofer siedział, Polak. Posadził mnie obok niego i zniknął. Ja go nigdy więcej nie widziałam i nie mam pojęcia dlaczego mnie tam posadził.
Jechaliśmy dobra godzina, jeśli mogę ufać pamięci, wszyscy zostali wyladowani do czekającego pociągu z moim szoferem ze mną, jedynym pasażerem jechali az do 5 rano i zatrzymał się przy Bloniach Krakowskich.

"Idź z Bogiem" były jego słowa do mnie. Nie wolno było nikomu chodzić po ulicach do 7 rano - powoli, tak jak stałam zaczęłam chodzić oczekując stózalco minute.. nic i nikt się nie ruszył na Bloniach.

Doszłam do jedynej osoby gdzie mieliśmy się spotkać jeśli się wyfostały niemy jakos - Zosia Poźniak, moja była nauczycielka fortepianu. Pyszczyniełam dzwonek, zaspana głowa Zosi i bez słowa, bez zdumienia otworzyła drzwi. Wysłała natychmiast se sluzaca swoje 3 dzieci na wies do Dziatkow, (maz jej był w niewoli niemieckiej, jakaś praca zabrano go razem z innymi profesorami Univ. Jagiellonskiego).

Pamiętam że nic nie mówiłam przede wszystkim cały tydzień, leżałam i patrzyłam w sufit. Pewnego dnia Zosia wręczyła mi papiery, moje nazwisko nowe - Krystyna Banach. Młody człowiek z Wieliczki, musiał mieć ten adres nagle się ukazał, też miał załatwione papiery i Zosia kazała nam razem jechać do Lwowa (nigdy tam nie byłam).

Nie pamiętam duzo ale nagle jesteśmy we Lwowie w jakimś mieszkaniu w piwnicy, Stefan do mnie mówi, czekaj tutaj az ja wrócę, Zosia dala nam adres innego profesora we Lwowie który nam pomoże. Czekaliśmy, czekaliśmy, noc zapadła - nie ma Stefana. Poszłam pocichu na strych.

P.O.B. 6126

Tel Aviv, October 1978.

This letter has to do with Jews who lived in Crakow, Poland up until World War II and survived the war. They emigrated to Israel.

with

In Israel they formed an organization to deal/and preserve the pre-war Jewish life in Cracow. They established a museum in Tel Aviv in memory of the Jewish inhabitants of Crakow.

They are now writing to all their landspeople they can contact in America to help them in this endeavor and to please send them whatever they think would be suitable for the museum.

They are also in need of funds, so anything the American contacts can donate to this worthy cause would be greatly appreciated.

The committee is also asking that the American landspeople should contact as many former Crakow inhabitants as they know, if possible.

Dear Sosin and Marysiu,

Today on television I saw a miracle happen, a new pope has been selected from our home town of Crakow, Cardinal Wojtyla. I have to congratulate you because for the past 400 years nobody outside Italy has ever been selected.

At present we are expecting Alicia and her family (husband and children). They are coming to Los Angeles to stay for two years. They sold their car and their belongings so that they could start anew in Los Angeles.

Itzhak wants to learn more in his profession as a sound technician in television and eventually open his own studio in Israel. We intend to take Alicia, Avital and Amir with us to Mazatlan, Mexico (overlooking the Pacific) for several weeks.

Would like to know more about you, Marysiu. When will you come to visit, please write us in detail.

Our visit to Switzerland and Yugoslavia were very enjoyable. My Aunt and Uncle Licht look wonderful.. In Zurich we encountered a Polish castle where a Polish museum is housed. We browsed through and enjoyed it very much. They have a permanent guide stationed since there is a steady influx of visitors.

We wish you all the best and an enjoyable Christmas and a happy New Year.

Sehr geehrter Herr Fleissig!

Wir danken Ihnen für Ihr Schreiben vom 19. 5. 1965 betreffend Antrag auf Wiedergutmachung für Ihre Gattin.

Leider sehen wir zur Zeit noch keine Möglichkeit, einen Anspruch für Ihre Gattin zu stellen. Wir erwarten in einigen Wochen das sogenannte Entschädigungsschlussgesetz und werden dann überprüfen, ob eine Antragstellung möglich sein wird. Zur Zeit sieht es allerdings nicht so aus, als ob die bereits im Jahre 1958 abgelaufene Frist noch einmal eröffnet werden würde.

Wir werden Ihnen zu gegebener Zeit weitere Nachricht zukommen lassen.

Dear Mr. Fleissig,

We thank you for your letter of May 10, 1965 regarding application for reparation for your wife.

Unfortunately, we see at this time not yet any possibility to make an application for your wife. We expect the so called reparation-closing statutes to be discussed in a couple of weeks and will then try to find out if there is a possibility for an application request. At this time it doesn't look like the previous, in the year 1958, expired deadline can be opened up.

We will at that time let you know further news.

Sincerely yours,

AS WE DISCUSSED AT THE TIME OF YOUR VISIT TO THIS OFFICE ON APRIL 10TH, 1952, IT IS OUR OPINION THAT YOU HAVE NO DISORDER OF THE THYROID GLAND, AND THAT THIS ORGAN IS FUNCTIONING NORMALLY. YOUR SYMPTOMS ORIGINATE IN THE EMOTIONAL SPHERE AND IT IS NECESSARY THAT THEY BE TREATED ON THAT BASIS.

YOUR HEART, LUNGS, KIDNEYS, BLOOD, GASTROINTESTINAL AND CENTRAL NERVOUS SYSTEMS ARE ALL FUNCTIONING WELL, AND THE MANY LABORATORY STUDIES, ELECTROCARDIOGRAM AND CHEST X-RAY YIELDED NORMAL RESULTS.

AGAIN, LET ME IMPRESS UPON YOU THE NECESSITY OF SEEKING THERAPY THAT WILL HELP RESOLVE YOUR EMOTIONAL PROBLEMS. ONCE THIS IS ACCOMPLISHED, I AM CONFIDENT THAT YOU WILL FEEL MUCH BETTER.

This will confirm, that I have known Mrs. Alfred Fleissig at 243, Soundview Ave., White Plains, N.Y., as Miss Bronia Felicja Kohn in Krakow, Poland, for many years. She lived with her parents, Benjamin Kohn and her mother, Amalja Kohn, at Ulica Krupnicza No. for many years prior to World War II.

Mr. Benjamin Kohn was the owner of an important Hardware- and Steelproducts-Store on Ulica Szewska No. 5.

He catered especially to the building trade, with the supply of hardware for new buildings. In addition retail in the store itself took place. I knew the Kohn-family for more than 20 (Twenty) years before World War II and can confirm, that they were people of good character and means and had an excellent standing in the Community of Krakow.

TO WHOM IT MAY CONCERN

This will confirm that during the year 1941 and 1942 I have seen Bronia Felicja Kohn with her father Benjamin Kohn, her mother Amalja Kohn and her brother Berthold in the City of Wiliczka, near Krakow.

I saw them almost daily, since we lived in the same house until the day, when all Jews were removed from Wiliczka.

I saw her again in the United States as Mrs. Alfred Fleissig, after I came to the United States in the year 1947 to be reunited with my son.

The above statement is true to my knowledge and belief.

Mit Luftpost

Sehr geehrter Herr Doktor Frauenglass,

Ihre Adresse verdanke ich meiner Tante, Frau Munda PICKHOLZ, wohnhaft in Lausanne, 14 Fleriment, und deren Tochter (meine Cousine) ANITA GOLDBERG, geb. Johannes, gleiche Adresse, die mir erzaehlten, dass Sie persoenlich die Angelegenheit der Wiedergutmachung in ganz besonders netter und erfolgreicher Weise durchgefuehrt haben.

Da ich persoenlich bis jetzt in der Sache der Wiedergutmachung nichts unternommen habe, gestatte ich mir die Anfrage, ob Sie die Angelegenheit meines Falles uebernehmen wuerden.

Ich gebe Ihnen nachstehend in Kuerze einige Daten an, die ich natuerlich gern vervollstaendigen werde, wenn Sie mir Ihren Fragebogen einschicken werden :

Geboren: 27.Mai 1920 in Rzeszow, Galizien (Polen).
als : BRONISLAWA FELICJA KOHN.

Zur Zeit des Kriegsausbruches am 1.9.1939 war ich mit meinen Eltern BENJAMIN und AMALIA KOHN und meinem um 3 Jahre juengeren Bruder BERTHOLD in Krakau.

Mein Vater war Besitzer eines Baubeschlaege-Geschaeftes, welches nach Besatzung der Stadt Kraukau konfisziert wurde, und meine Familie wurde gezwungen, nach Wieliczka zu uebersiedeln.

Im September 1942 wurde die juedische Siedlung in Wieliczka aufgelöst und bei dieser Aktion ist meine Familie umgekommen. *(mit Leid)*

Ich bin durch einen gluecklichen Zufall, auf arischen Papieren, nach Warschau entkommen, wo ich als Telefonistin und Sekretaerin taetig war.

Zur Zeit des Aufstandes des General BOR in 1944 wurde ich Krankenschwester in einem polnischen Armee-Hospital, und als der Aufstand im Herbst 1944 zu Ende war, wurde ich, unter Schutz des ROTEN KREUZES, als polnische Kriegsgefangene in ein Gefangenentalager nach OBERLANGEN, Deutschland, gebracht. Das Lager wurde am 14.April 1945 von einer kanadischen Brigade befreit.

Ich habe nachher beim polnischen Konsulat in Bruessel, Belgien, meine regulaeren Papiere, auf meinen richtigen Namen, bekommen und bin im Februar 1946 zu Verwandten nach Amerika gekommen, habe im selben Jahr geheiratet und bin jetzt amerikanischer Buerger.

Ich habe eine Anzahl Dokumente, mit denen ich die obigen Tatsachen beweisen kann, und bitte Sie, mir mitzuteilen, welche Schritte ich nunmehr unternehmen soll.

Fuer Ihre Muehewaltung danke ich Ihnen im voraus und verbleibe hochachtungsvoll

Dear Doctor Frauenglass,

For your address I have to thank my aunt, Mrs. Munda Pickholz, who lives in Lausanne, 14 Florimont, and her daughter (my cousin) Anita Goldberg, nee Johannes, at the same address, who told me that you personally dealt with the issue of reparation payments in an especially nice and successful way.

As I personally, until now, have not taken any action in the case of reparation payments I hereby take the liberty of asking if you would undertake to act on my case.

I am hereby giving you in short a few details which I ofcourse will be glad to complete in full when you mail me your questionnaire:

Born: 27 May 1920 in Reisha (Rzeszow), Salicia (Poland)
As: Bronislawa Felicja Kohn

At the time when the war broke out on September 1, 1939 I lived with my parents Benjamin and Amalia Kohn and my three years younger brother Berthold in Cracow.

My father was the owner of a building fittings company which after the occupation was confiscated by the city of Cracow, and my family was forced to move to (Wieliczka) Vilietchka.

In September 1942 the Jewish settlement in Vilietchka (Wieliczka) was dissolved and by this action our family perished.

By a lucky chance, I made it to Warsaw with Aryan papers and there I worked as a telephone operator and a secretary.

At the time of the revolt of General Bor in 1944 I became a nurse in a Polish army hospital, and when the revolt was over in the fall I was brought under the protection of the Red Cross as a Polish prisoner of war to a prison camp in Oberlangen, Germany. The camp was freed by a Canadian hricade on April 14, 1945.

Afterwards I received my regular papers made out in my real name from the Polish Consulate in Brussels and arrived to relatives in America in February of 1946, was married the same year and am now an American citizen.

I have a number of documents which will prove the above and ask you to let me know what steps I should take now.

I thank you in advance for your trouble and remain

Very truly yours,
