

The Red Cross is Coming: A Happy Ghetto. Erich Lichtblau created a special picture-series about the preparation to the Red Cross Visitation of Theresienstadt. The slogan on this picture reflects Nazi deception of a “Happy Ghetto.” It reads as follows: *A Happy Ghetto with Young People in the Streets, while Old and Ill Were Placed Under House Arrest.* The sign on the bucket: *Putzkolonnie – cleaning detail.* Terezin, 1944.
