

HQ 1 Sub-Depot,  
5 B.O.D. M.E.F.

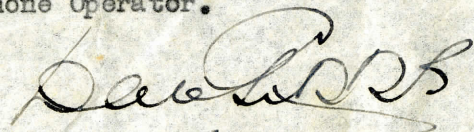

To whom it may concern.

Pte. Haber, A.T.S., has been employed in No.1 Sub-Depot, 5 B.O.D., since December 1944.

At all times she has proved to be an efficient and conscientious worker and has discharged all duties in a quietly efficient manner.

I have no hesitation in recommending her for civilian employment in any capacity similar to the posts in which she has been employed in this installation - i.e. General Clerical Duties, Telephone Operator.
