Axis Supply Lines to Russia, Bear Brunt of Reprisals Extending From Greece to Paris

Berlin said there had been al-most 1000 reprisal executions in German-occupied countries since the Russian war began, accord-ing to a compilation based on of-ficial and semioficial sources.

The executions were for sabo

DOWD persons convoked under the auspices of the Southern Call-formla America First Committee.

In produced by John Steven McGranty, former Representative, and a close personal-friend of the Senator, Wheeler was acclaimed as he stepped into the Fingdraped ring.
