The Constitution Versus Jewry

ZIONISM AND SLAVERY VERSUS AMERICANISM AND FREEDOM

By Henry H. Klein

That is the issue that confronts the people of the United States. It is peaceful constitutional government or terroristic United Nations' government. The United Nations is zionism. It is the super government mentioned many times in the Protocols of the Learned Elders of Zion, promulgated between 1897 and 1905.

Zionism is a political program for the conquest of the world. Zionist leaders control the United States, Great Britain, France, Russia and other countries of Europe and they are using communism to control the rest of the world. They control the atomic and hydrogen bombs.

The United States finances world zionism. We support the U. N., the international bank, Palestine and many other countries. Our wealth has been scattered to the four winds to satisfy zionist and money gang purposes.

The aim of zionism is to enslave the people. That is clearly stated in the Protocols, which were written by Theodor Herzl or Asher Ginsberg, backed by the Rothschilds. They breathe hatred of christianity and have been handed down in different forms, since Jesus revolted against the Sanhedrin.

We have the same story today. Jewish leaders are mad with power and with inordinate wealth extracted from gullible Jews.

We are living under the Protocol plan. Roosevelt, Truman and Eisenhower were and are tools and victims of zionism. The Rockefellers and others of great wealth are also under zionist control.

Zionism destroyed Russia by violence as a warning to other nations. It is destroying the United States through bankruptcy, as Lenin advised.

Zionism wants another world war if necessary to enslave the people. Our manpower is scattered over the world. Will we be destroyed from within or will we wake up in time to prevent it?

ZIONISM IS USING COMMUNISM

To destroy civilization and complete the conquest of the world. That fact is plain and explains every act of so-called betrayal since 1917 and particularly since 1932, when Franklin D. Roosevelt was elected President. It explains the conduct of the Rosenbergs, Alger Hiss, Henry Dexter White (Weiss) and all other so-called betrayers. They did it for zionism which is a political program for the conquest of the world by a handful of so-called Jewish leaders.

The zionist program is outlined in the Protocols of the Learned Elders of Zion, promulgated between 1897 and 1905, at zionist congress meetings, organized by the late Theodor Herzl, backed by the Rothschilds, who controlled Great Britain. Zionism now also controls the United States, France and Russia. Jacob H. Schiff, a zionist banker and associates, financed the Bolshevik revolution in Russia in 1917.

It explains why there is a so-called United Nations dominated

THE JEWS OWN THE U.N. FOR IT THE AMERICAN PEOPLE GAVE UP GOD, HIS SON, JESUS CHRIST, AND THE CONSTITUTION. ALL ILLEGAL AND UNCONSTITUTIONAL; THE PEOPLE CAN REPUDIATE IT, BUT THEY HAVE TO ACT.

THE CONSTITUTION: Under it for the first time on this planet man no longer went hungry; for the first time on this planet, man walked upright, fearlessly, eye to eye, neither crooking his spine nor crawling on his knees before those in power; a **citizen of America is a king**, his voice the ultimate power, and these great gifts are to be preserved, not for himself alone, but as a **Light-house of hope, for all the world.**

JEWRYS OPPOSING GOV. IS THE U.N.: An international cauldron—no nations — no individual rights, no property rights—slaves of the STATE.

THE PEOPLE CAN ACT IN TWO WAYS:

1. **PLEDGE** every candidate to repudiate the U.N.
2. **FIRE** every Jew in official position.

The Jews are enemies of all nations.

Bernard Baruch: "I believe national pride (patriotism) a lot of nonsense."

M. J. Wodislawski: "Let us take off the mask. . . . Away, away with false patriotism. A Jew can only recognize one fatherland—Palestine."

B. FELZ: "The patriotism of the Jew is simply a cloak he assumes to please the Englishman. Jews who pretend that they can at once be patriotic Englishmen and good Jews are Simply Living Lies."

Prof. Reinhold Niebur (Jew): "Marxism is the modern form of Jewish prophecy."

Judge Schapiro: "The time has come when patriotic Jews of America should feel the responsibility for the evil deed, Communism, hatched and planned in the camp of Israel."

DR. OSCAR LEVY (Jew of Eng.): "We, Jews, who have posed as the Saviours of the world, we are today nothing else but the world's seducers, its destroyers, its incendiaries, its executioners."

This space was to have been given to the **CONSTITUTION**, illustrating how and why it is the one block to

A Few Do's and Don'ts

1. **Have** the courage and justice to name the Jews as your country's enemy. Stop blaming other countries.
2. **Repudiate** UN, NATO and all commitments made under them.
3. **Permit no** Jew to hold office. He can't take the oath to support the Constitution.
4. **Use your BILL OF RIGHTS** to free controlled press; to free you from income tax, and all unconstitutional Federal, State and Local "laws." Look up 2nd Bill of Rights, take back that right.
5. **Never use** or permit the use of "Democracy" applied to our country.
6. **Use** your vote to hire and fire office-holders. Stop nagging them or gripeing. You are the boss.

by Russia and why it is a refuge for communists chased out of U. S. government jobs after exposure. It explains why zionist leader Frankfurter was able to shove scores of zionists and communists into public office under Roosevelt and Truman and why Barney Baruch, another zionist leader, controlled Congress. It explains why native Americans and Christians were persecuted and prosecuted in Washington, D. C. in 1944, for exposing communism and Roosevelt.

It explains why Eisenhower says he serves the United Nations and why Churchill proclaims he is a zionist. It explains why we double crossed the South Koreans and Chinese nationalists and why McArthur was fired by Truman. It explains General Marshall's conduct in favoring Chinese communists and the conduct of Lattimore, Jessup, Service, et al, in the Institute of Pacific Relations. It explains why France laid down to communists in Indo China and why the United Nations did little or nothing to help 800,000 Arabs driven from their homes by Jews in Palestine.

It explains why Harry Hopkins gave Russia eleven billion dollars of our wealth and why we permitted Russia to grab part of Germany and Poland and all other bordering countries, besides Manchuria in Asia. It explains why F. D. R. ordered the investigation of communists stopped and why zionists demanded that J. Edgar Hoover be fired. It explains all or nearly all of the treacherous and unpatriotic conduct of so-called leading citizens during the past 20 years.

It explains the conduct of Albert Einstein and J. Robert Oppenheimer and why public officials and leading citizens who opposed zionism and communism, died suddenly. It explains why the wealth of the United States was squandered to build up other countries. It is a shocking picture that should be quickly blotted out or world cataclysm will follow. Zionism wants another world war.

ZIONIST MYSTERIES

How did zionism acquire control of vast funds in Foundations?

How did zionism acquire control of our government?

How did zionism acquire control of religious and educational systems, newspapers, magazines, movies, radio and television?

How did zionism acquire control of large industries, banks, real estate, etc.?

Why was Lewis L. Strauss appointed financial advisor to Rockefeller boys?

7. **Carry** a copy of the Constitution in your hip pocket, as did those early Americans. Pull it out at every question of Principle or extent of authority. The **Constitution** is the **LAW** of authority over government. Government can **not change** Constitution.

8. **Stop** wasting time and energy on Supreme Court's **ILLEGAL** decisions—making something out of nothing—the **UN is nothing**—throw it away.

9. **Stop** talking about presidential candidates—the Constitution forbids it. We choose **ELECTORS**, who in turn choose the best man for the job, and I'm sure his name has not yet been mentioned. If the vote means anything, **VOTE** instead of talking.

Why should we be so concerned about the Negroes in the South not having the vote? They have it in Chicago—do they use it? For that matter do the Whites? In one of our recent elections 18% of the registered vote voted? Why do we weep and wail over folks in other countries not having what we won't use? Isn't it a case of shut up or put up?

Our Constitution is the property of the Nation and not of those who exercise the government. We were given these rights, the Constitution secured them and it is now up to us to **use it** or **lose it**. Study that Constitution, get it in your feeling world along with your love of family, of home and of God. Then act to save them all.

Lyrl Clark Van Hyning

What is the UN?

"The UN was created in San Francisco in 1945, by a handful of persons from different countries. Agents of Rockefeller and Standard Oil arranged the meeting.

"Where is the authority for such a super government? It is in the **PROTOCOLS OF THE LEARNED ELDERS OF ZION, WHICH OUTLINE** a detailed plan for the **DESTRUCTION of the Christian world** and the creation of a world Gov. to be ruled by the **ELDERS**.

"The United States of America is now the United States of the UN, and will remain so as long as the super government exists. Those who fought and died for freedom in America, have fought and died in vain. **The Sanhedrin and the Money Gang tried** to take it way from them through the League of Nations and failed. They will succeed through the UN.

"How long will their success last? **Until the people wake up in spite of** a controlled press and radio or until the people are enslaved and destroyed. They have been humbugged and deceived up to now by professional propagandists and paid press agents, serving the **Money Masters and the SANHEDRIN**.

"The Protocol Plan is to enslave the people, bankrupt all nations and put a descendant of King David on the throne of the world. When this is done, the Learned Elders of Zion, otherwise known as the Sanhedrin, will be in complete rulership of the world." The above quote is from "The United States of the UN, (1946)" by Henry H. Klein, the one Jew in America, who tried desperately to warn the people. He paid with his life.

THE NEGRO SPEAKS FOR HIMSELF

"We don't want integration!"

By E. L. TEBO

"No we don't! We don't want to integrate with you white people!" so exclaimed a fine looking Negro woman proudly when asked "why do your people so aggressively push themselves into places they are not really wanted". She went on to say, "the majority of us don't want to mix. It is the ignorant and greedy among both races that have been misled to create all the trouble. We can work for mutual benefit to both races but we don't have to integrate to do it!"

Her husband, a pleasant neat-appearing man and probably the diplomat of the two spoke up then in a quiet manner and said, "there are many misguided Christians and many fanatics who think that God made a mistake when he made the black man and they are determined to bleach him by absorption. But," he said, "I happen to be proud, very proud, that I am a Negro, and I don't want my racial integrity destroyed." He went on to say, "in order to preserve my Negro way of life and my Negro destiny, it is better to live apart from the white. Otherwise, as you can see, the Negro becomes a copy-cat white and loses his self-respect. This works in reverse too, because we Negroes have no respect for the foolish whites who become copy-cat Negroes."

Now this is a refreshing point of view and so different from what appears in the daily press that, in fact, it is really headline news! Is Mr. and Mrs. McClendon an isolated case? Not at all. They left the U. S. and migrated to Liberia to avoid race mixing and its attendant evils. At present they are with us for a visit. "But do you really represent the feeling of your race or are you speaking only for yourselves?" they were asked. Mr. McClendon answered, "I am positive we are voicing real 'grass roots' American Negro feeling. You see, we

were fortunate enough to be able to do something about how we felt but there are thousands who would like to do the same thing but can't because of lack of funds. In fact, on short notice five hundred to a thousand could be gathered who would give a shouting testimony 'We don't want integration, we want repatriation to Liberia'."

He then said, "Did you know that we have great respect for Senator Langer? Also, there are over three million Negroes behind the Langer Bill in the U. S. Senate in Washington, D. C. who are daily praying for the Langer Bill to pass because it will give all Negroes who want to return to Mother Africa, the financial help they need."

Mr. McClendon went on to say, "Most white men will never understand the Negro! There is a deep mystical African instinct which no white-wash will entirely erase and the further we get away from it, the more we despise ourselves. That mystical stillness sometimes can grip thousands of us at one time as happened recently in Durban, South Africa when two thousand Negroes suddenly stopped working though no strike had been called and no one had decided upon it. The voice of Africa is calling in that mystical stillness even now and more and more the blacks will respond to it and quietly demand to be taken back home to his native ways and self-respect. I have been there and I know!"

Then changing his mood and expression, Mr. McClendon gave the following facts about his beloved Liberia as his wife proudly backed up everything he said.

"Liberia is a highland country, hilly and mountainous, the soil is very fertile and a good farmer can

realize seven crops a year. Tropical fruits abound such as bananas, mangoes, papaya, breadfruit, and all citrus fruits. It is extremely rich in all minerals and has one of the richest iron and coal deposits in the world. It has wonderful forests among which black mahogany grows to giant size. The average temperature is 85 degrees during the day and at night the average is 65 degrees. Although the total range of temperatures can occasionally vary from 95 degrees in the daytime down to 55 degrees at night. It is cooled by a cool breeze called the Mahatma. There is no winter.

"Liberia was founded for United States Negroes in 1882 by the American Colonization Society and its Constitution prohibits whites from owning land and no one can prevent the American Negro from going there. In fact, Mr. Tubman, the president of Liberia, invites American Negroes to come. Each settler is given twenty-five acres for himself and five acres for each child of his family. They need skilled help and farmers badly. They also need beef cattle preferably of the Brahman variety.

"The American Negro has a right to expect American financial aid in repatriation because his forefathers did not ask to come here. They were torn away from their homes and loved ones by force. Now it is time for American sense of fair-play to do the right thing by his descendants because the free-labor of the slaves more than paid for it long ago. This is a moral debt which forced integration will not repay because it is unnatural."

There you have it Mr. and Mrs. America. Are you big enough to respond to the voice of good conscience and show the world that you really are fair to all sides of the race problem?

"Can the Negro help himself?"

Yes, by returning to his homeland, Africa."

To all the Senators and Congressmen in Washington, D. C.—May 1, 1959

We, THE PEOPLES INDUSTRIAL CLUB, ARE NOT NOR HAVE EVER BEEN INTERESTED IN MIXING OUR RACE WITH YOURS.

Since there is so much trouble in this country over the races, there is the great problem: "What to do?" Send all people of African descent, those who wish to go, back to Liberia, West Africa.

This will solve your problem and ours. Sooner or later, this will have to be done; why not sooner?

If only a few are willing to go now;

send them. Don't worry about the others, they will follow; the trickle will become a mighty stream.

When two races in one country can't get along, it is time to say "good-bye." I know which race must go; it is my race. (Those of African descent.) You do not need us any longer; but don't kill us, don't destroy us here. Send us to our homeland.

I know we can never again be friends in this country, there is too much strife deliberately made by those who pretend to be our friends,

yet want only to use us to their gain.

We have tried to be a friend; we have failed. Now we are ready to be separated and go home. We give up the struggle. Will you make our going easier? Let us go in peace and goodwill.

Sincerely Yours,

Assistance to Immigrants

Note: The following is taken from the January 1956 inaugural address of President William V. S. Tubman. Only people of African blood and descent (black people) are eligible to become citizens of Liberia. Persons with "grits and guts" who, when cornered in foreign lands, fought back for life and limbs and dubbed "immoral" should nevertheless apply for relief in Africa.

The Government of Liberia has received and is still receiving large numbers of applications from persons capable of becoming Liberian citizens and wishing to migrate and naturalize as citizens. It is the policy of the Government to encourage such immigrants.

The National Legislature has enacted the following arrangements for immigrants.

1.) Three months' free lodging at the Government's expense will be arranged for immigrants coming into the country and naturalizing as Liberian citizens. A single immigrant will be allocated 10 acres of land free of cost and each family will receive

25 acres.

2.) Those considered as desirable immigrants are: civil engineers, construction engineers, mechanical engineers, geologists, physicians, midwives and nurses, druggists, and pharmacists, tailors, shoemakers, dressmakers and seamstresses, hat-makers, dentists, laboratory technicians, dry cleaners, hair dressers, laundrymen and laundresses, motor mechanics, aero mechanics, school teachers (elementary, high school and college), dieticians, fishing industry experts.

3.) The aforementioned classes of professional men and women desiring to migrate to Liberia should be prepared not only to be absorbed and employed by government or private enterprises, but also to launch out on their own.

4.) Persons who would not be acceptable for admission as immigrants are those having a chronic or dangerous contagious disease; those morally unfit because of their past history; and those who are undesirable because of their political attitudes.

5.) Persons shall not be permitted into Liberia as immigrants in larger numbers than can be assimilated within a reasonable time. They shall be assigned to different sections of the country and not all or the greater portion shall reside in one county, city, town or village.

NEGRO LEADER RAPS N.A.A.C.P.

"The Chicago president of the nation's largest Negro religious denomination declared Tuesday in a telegram to the National Association for the Advancement of Colored People that its court action against Little Rock, Ark., school board is unwise.

"The wire was sent by Rev. Dr. J. H. Jackson, head of the National Baptist convention, which has nearly 5 million members. He is minister of Olivet Baptist church, and is a member of the NAACP."

DOES NAACP REPRESENT THE NEGROES?

OR IS THAT JEW PROPAGANDA?

"When Clennon King, a Christian Negro nationalist . . . came to San Francisco, he decided to hold a press conference. He wanted to tell the press that not all Negroes agree with the subversive aims of the NAACP. But the reporters, instead of asking him questions and writing down his answers—a reporter's job—instead argued with him. One of them said: **"My paper won't give you a line because you are against the NAACP."** He was right. All four papers in the city completely ignored the presence of this Negro leader in their community."

INTEGRATION IS COMMUNISM

JEWISH LEADERS ARE CRAZY FOR POWER

By Henry H. Klein (Jew)

(Copyright 1950 by Henry H. Klein)

They aim at world rulership. For this reason they started the Zionist movement and used it as a political weapon to conquer Palestine. The protocol says the world of the law will go forth from Palestine. One of the steps toward world rulership, was to obtain possession of the chemical wealth in the Dead Sea. This was accomplished through Chaim Weizmann and Lord Melchett, heads of the British chemical trust.

Most Jews have been in the dark as to the real purpose of Zionism. Some Jews thought its purpose was beneficent. Intelligent Jews have awakened to the fact that its purpose was political and they have begun to realize that **Jews as well as Christians financed Hitler.** They knew that Hitler was driving Jews out of Europe. Did they want Jews driven to Palestine to protect the chemical and oil concessions there? One of the Jewish leaders in Israel recently declared that he wanted two million people in Israel. He didn't talk of refugees; he talked of population. Two million persons could provide an army of more than half a million.

Jewish leaders want world power; nothing

less will do. They have many Jews believing that they are the "chosen" people. Jews were chosen for destruction after their leaders caused Jesus to be executed. All Jews have suffered since. A large part of the so called persecution is artificially created to keep Jews scared and to stimulate cash contributions. Hundreds of millions of dollars have been extracted from them in the past 25 years.

What will be the windup? Jews occupy part of Palestine and part of the city of Jerusalem. Judaism is being spread in every direction while Christians, Moslems, Buddhists and other religionists look on. How much further will Judaism be permitted to advance before resentment sets in? This always followed previous attempts at Jewish leadership. All that the Jew really wants is to be permitted to live in peace, but their leaders won't let them.

Jews have been exploited by their leaders since Moses time. So called leading rabbis have misled them. Jewish financiers have absorbed their substance. Labor leaders have misused them; racketeers have robbed them. They should be helped to escape from their mad leaders.

The Man Without A Country

By Edward Everett Hale

"Within the past few days, I have read Edward Everett Hale's, 'Man Without A Country', (Philip Nolan) and I was deeply moved by it. I met Edward Everett Hale when I first went to Boston—to attend the M.I.T., beautiful old man. To think that now the U.S. is daily insulted—and no one

"YOUR COUNTRY . . . YOU BELONG TO HER AS YOU BELONG TO YOUR MOTHER . . . STAND BY HER. NEVER LOOK AT ANOTHER FLAG, NEVER LET A NIGHT PASS, BUT YOU PRAY GOD TO BLESS THAT FLAG."

... EXCERPT

I first came to understand something about 'the man without a country' one day when we overhauled a dirty little schooner which had slaves on board. An officer was sent to take charge of her, and, after a few minutes, he sent back his boat to ask that someone might be sent him who could speak Portuguese. But none of the officers did; and just as the captain was sending forward to ask if any of the people could, Nolan stepped out and said he should be glad to interpret. The captain thanked him, flitted out another boat with him, and in this boat it was my luck to go.

When we got there, it was such a scene as you seldom see, and never want to. Nastiness beyond account, and chaos run loose in the midst of nastiness. There were not a great many Negroes; but by way of making them understand that they were free, Vaughan had had their handcuffs and anklecuffs knocked off and was putting them upon the rascals of the schooner's crew. The Negroes were surrounding Vaughan and addressing him in every dialect.

As we came on deck, Vaughan looked down from a hogshead, on which he had mounted in desperation and said:

"For God's love, is there anybody who can make these wretches understand something?" Nolan said he could speak Portuguese, and one or two Kroomen were dragged out, as they had worked for the Portuguese on the coast at Fernando Po.

"Tell them they are free," said Vaughan; "and tell them that these rascals are to be hanged as soon as we can get rope enough." Nolan explained it in such Portuguese as the Kroomen could understand, and they in turn to such of the Negroes as could understand them. Then there was such a yell of delight, leaping and dancing, kissing of Nolan's feet, and a general rush of spontaneous worship toward Vaughan.

"Tell them," said Vaughan, "that I will take them all to Cape Palmas."

takes offense—I wish the whole thing could be briefed for the public. The account of Nolan's being sent aboard a Portuguese vessel dealing in slaves, is the most poignant account I have ever seen and by a man as reliable as Edward Everett Hale. I wish every young American would read, I wish

This did not answer so well. Cape Palmas was far from their homes; that is they would be eternally separated from home there. Vaughan was disappointed and asked Nolan what they said. The drops stood on poor Nolan's white forehead, as he hushed the men down, and said:

"He says, 'Not Palmas.' He says, 'Take us home, take us to our own country, take us to our own house, take us to our own pickaninnies and our own women.' He says he has an old father and mother who will die if they do not see him. And this one says he left his people all sick, and paddled down to Fernando to beg the white doctor to come and help them, and that these devils caught him in the bay just in sight of home, and that he has never seen anybody from home since then. And this one says," choked out Nolan, "that he has not heard a word from his home in six months, while he has been locked up in infernal barracoon."

Vaughan always said he grew gray himself while Nolan struggled through this interpretation. I, who did not understand anything of the passion involved in it, saw that the very elements were melting with fervent heat, and that something was to pay somewhere. Even the Negroes themselves stopped howling as they saw Nolan's agony, and Vaughan's almost equal agony of sympathy. As quick as he could get words he said:

"Tell them yes, yes, yes; tell them they shall go to the Mountains of the Moon, if they will. If I sail the schooner through the Great White Desert, they shall go home!"

And after some fashion Nolan said so. And then they all fell to kissing him again, and wanted to rub his nose with theirs.

But he could not stand it long; and getting Vaughan to say he might go back, he beckoned me down into our boat. As we lay back in the stern sheets and the men gave way, he said to me:

"Youngster, let that show you what it is to be without a family, without a home, without a country. And if you are ever tempted to say a word or do a thing that shall put a bar between you and your family, your home, and your country, pray God in His mercy to take you that instant home to His own heaven. Stick by your family, boy; forget you have a self, while you do everything for them. Think of your home, boy; write and send, and talk about it. Let it be

it could be revived for all concerned, White and Black before integration sets in. And those who would, could go with our love and sympathy. We, Americans, too, need our home to ourselves, and it has struck me several times that old and sick people always 'want to go home.'" (R. H. T.)

nearer and nearer to your thoughts, the farther you have to travel from it; and rush to it, when you are free, as that poor black slave is doing now.

"**And for your country, boy**", and the words rattled in his throat, "**and for that flag**", and he pointed to the ship, "never dream a dream but of serving her as she bids you, though the service carry you through a thousand hells. No matter what happens to you, no matter who flatters you or who abuses you, **never look at another flag, never let a night pass but you pray God to bless that flag.** Remember, boy, that behind all these men you have to do with behind officers, and government, and people even, there is the country Herself, your Country, and **that you belong to Her** as you belong to your own mother. Stand by Her, boy, as you would stand by your mother, if those devils there had got hold of her today!"

I was frightened to death by his calm, hard passion; but I blundered out that I would, by all that was holy, and that I had never thought of doing anything else. He hardly seemed to hear me; but he did, almost in a whisper, say, "O, if anybody had said so to me when I was of your age!"

The marked text in Philip Nolan's Bible was:

"They desire a country, even a heavenly: wherefore God is not ashamed to be called their God: for He hath prepared for them a city."

On a slip of paper he had written,—

"Bury me in the sea; it has been my home, and I love it. But will not someone set up a stone for my memory at Fort Adams or at Orleans, that my disgrace may not be more than I ought to bear? Say on it,—

"In Memory of Philip Nolan Lieutenant in the Army of the United States.

"He loved his country as no other man has loved her; but no man deserved less at her hands."

"So poor Philip Nolan had his wish fulfilled. I know but one fate more dreadful: it is the fate reserved for those men who shall have one day to exile themselves from their country because they have attempted her ruin, and shall have at the same time to see the prosperity and honor to which she rises when she has rid herself of them and their iniquities."

ELIABETH BUCHMESSER

IT WILL TAKE A WOMAN TO RID US OF TRAITORS

If any one can run a news-paper without advertising, that one could run a government without financial Backers. Now if we find that such an Individual has been at work doing that very same thing for Eighteen years, it is not impossible, and it is about time we made use of that service. We should wake up and use extraordinary talent to benefit our people, who have employed politicians of so little value that advertisers must be used to sustain them. That seems to be our greatest trouble, which produces for our instruction, only the opinions of Financiers whose object is gain for themselves and not intellectual use and benefit to all of our people.

The Editor of Women's Voice, Mrs. Lyril Clark Van Hyning, to whose powerful speeches, I first listened in 1941, has such talent and has used it in W.V., without remuneration to herself or workers, to keep the readers posted on vital issues. And she is very well qualified to fill the Presidential Chair, very much safer than so many whom we have thought desirable at the time.

Our choice in 1960 is exceedingly critical. It requires a leader with a clear conscience, brave and fearless. We have had too many hungry men, with only an appetite to please and satisfy their Backers.

One brave woman, to step in this dangerous breach, would bring back the courage we have been losing, and free Our Great Country from the traitors who ignore the CONSTITUTION.

—James Monroe

(Ed. With all due respect and honor to Mr. Monroe, who taught me all I know about printing, political office is "one cup" that must pass me by. I did enlist in this service to Christ and Country, but each day is joyous in that it brings my discharge one day nearer. My one personal wish is that younger, stronger hands will bear this small flame of truth on to victory.

Mr. Monroe gave W.V. its name, as he feels from his vantage point of 93 years that women can fulfill Ella Wheeler Wilcox's prophecy: "The day will come when that poor bedraggled word (politics) shall signify something beyond the egotistic I . . . then politics shall mean a war with wrong, not wrong itself."

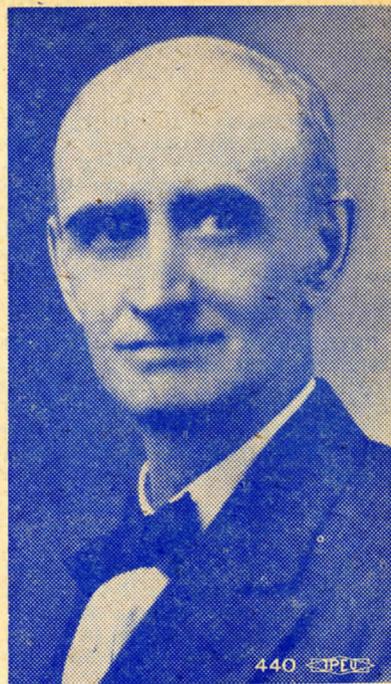

VINEGAR CURE

I used to have a wart on my neck, my collar always hurt it. This spring something passed by on West coast and hit people in lower back. My husband was off work five weeks with it, and while I was sick this wart enlarged. I used the vinegar cure, putting vinegar on it 3 times daily for a week or so. It turned black, got hard, dried up and rolled off. A friend is trying it, her wart is on front of her neck and is as large as my little finger. Vinegar from health food store, made in wood cases. Thought this might interest you and help someone.

Sincerely,
Laura Beard

Dear Friend:

I am reading always your Journal with the greatest interest and admire your patriotism and courage to stand up among so many millions Americans and proclaim the truth. Indeed our beloved country is in a precarious situation with the many traitors within our ranks.

I am writing a new book: SEGREGATION or INTEGRATION? This is going to be a scientific and philosophical exposition of this great problem which confronts America today.

Yours very sincerely,
John Mannas, Ph.D., etc.

Gen. U. S. Grant Stands With His Grandfather

"Spurious", "Alleged", "forged", "vicious nonsense", and of course "anti-semitic", and if you don't believe it just try saying something truthful about the Jews, and that is what you'll get.

Gen. Ulysses S. Grant, 3rd, national chairman of the U.S. Civil War Centennial Commission, grandson of Gen. Ulysses S. Grant, the famous commander of the Northern forces in the Civil War and later Pres. of the U.S., is the latest victim of the Jews and their wailing brigade. Like the spoiled adolescents they are, they can't bear any truth about themselves, and they scream in uncontrolled fury (they are the real paranoids . . . they are true to form in accusing others of their crimes) and run to the White House: "Don't let him say it . . . you've got to do something."

Wed., Aug. 5, 1959, in Jewish War Veterans of the U.S.A. Convention, a resolution was submitted by Illinois delegates for "firing of Gen. Ulysses S. Grant from his Chairmanship of the U.S. Civil War Centennial Commission."

Grant, the resolution contends has permitted ANTI-SEMITIC literature to be distributed under his name! There it is, Ladies and Gentlemen, the old anti-semitic club for anyone who dares tell a truth, and is such a forceful illustration of Jesus' words to the Jews: "Ye are of your father, the devil . . . a liar from the beginning", they are not even Semites, yet they use the lie against the real Semites, the Arabs, and against anyone who speaks for the Arabs.

What is Gen. Grant's crime? He circulated a pamphlet, which shows that the Jews were responsible for the Civil War and caused the assassination of President Lincoln.

Which is, of course, true as W.V. readers know. And may I say here, that that was printed in W.V. before they sued the Editor for "libelling the Jewish race or religion", and if it were not true, why didn't they use that, instead of withdrawing the case for lack of evidence? If you wish to know one source of this truth (there isn't the least bit of use trying to "right" the Jews, they know their father) it is Baron Salomon Rothschild's letters.

From "The Trail of the Serpent of the Gold of Babylon 1776 to 1932," by Frank Lowson of Huber, Georgia:

"We have Baron Salomon Rothschild's own letters written between Oct., 1859 and July 1st, 1861, all except one on June 23, 1861, written from the United States, which taken in conjunction with other evidence of the activities of his American Agents, August Belmont of New York and Sen. John Slidell and Judah P. Benjamin of New Orleans, make it certain that the Civil War was made DEFINITE by the Bankers' Machine in America. The climax of the Baron's testimony is set forth in his letter dated June 23, 1861, from Boulogne, France, from which we quote:

"I am leaving at present the SLAVERY QUESTION on which I shall come back later, which has been THE FIRST PRETEXT OF SECESSION, but which is ONLY A PRETEXT, and which is really secondary. The true reason which forces the States of the South to separate is the question of Tariff.

"The South was PUSHED towards this extreme course (war) by AMBITIOUS POLITICIANS, who exploit to their PROFIT the PASSIONS of the masses and hope to preserve the power which escaped them through the election of the Republican candidate."

It was a picture to make the angels weep! The Jew with his greedy politicians, playing on the passions of the people, brought on the most senseless and bloody Civil War. Brother killed brother, each with love of country in his heart, but both slaughtered to profit the Jew. No wonder they object to Gen. Grant's pamphlet. Especially, now, when they're setting the same stage again with the same false scenery — integration. In justice to the Negro, he senses this plot, his instinct tells him that he is to be the scapegoat (see Mr. McClendon's letter) and he wants to be gone. He is not so willing as the deluded White men of 1861, to fight and die for Jews.

Lincoln knew the truth, and if he could have reached Washington before Ft. Sumpter was fired, there would have been no Civil War. But the Jews knew already that Lincoln was their BIG mistake, so Fort Sumpter was but an earlier Pearl Harbor.

The Jews hate of Gen. Grant began when his grandfather, the first Gen. Grant issued that order of Nov. 9, 1862: "Refuse all permits to come South of Jackson for the present. The Israelites especially should be kept out." Again on November 10, 1862, this time to Gen. Webster at Jackson, Grant wrote:

"Give orders to all conductors on the road that no JEWS are to be permitted to travel on the railroad from any point. They may go North and be encouraged in it; but they are such an intolerable nuisance that the department must be purged of them." (Page 330 of the series One, Vol. XVII, part II, of the Official Records of the Union and Confederate Armies.)

Apparently General Grant, a patient and tolerant individual, finally lost his patience. He issued General Order No. 11, as Commander of the 13th Army Corps, Department of Tenn.:

"The Jews, as a class violating every regulation of trade established by the Treasury Dept. and also department orders, are hereby expelled from the Department within twenty-four hours from the receipt of this order."

The Jews are the world haters, and they "go into action", as Milton Friedman, in his column, in Jewish Voice, of July 3, 1959 commenting on Gen. Grant: "The Anti-Defamation league of B'nai B'rith has gone into action". How long are the American people going to endure this GPU of this hate group of Jews who are never satisfied and who must continually destroy?

We salute Gen. Grant, who according to a headline in the Jewish Voice of July 31, 1959, "REJECTS A.D.L. REQUEST TO REPUDIATE ANTI-SEMITIC ARTICLE."

Bravo! May he live long, and prosper, in his defiance of the "chosen race" in their insufferable hate role, and may millions of Americans throw off the Jew-shackles, follow his example and slap these spoiled brats down. — L. C. V. H.

WILL THE PEOPLE HEED THE WARNING?

Aug. 17, 1959. Parts of New York City were 13 hours without electricity. No lights, no TV, no radio, no elevators, no refrigerators, no transportation. How helpless is little man with his wonderful "human reason", when God moves in. HE is still the Power even though we traded HIM for the UN.

"Vice is a monster of such frightful mien,
To be hated, needs but to be seen;
But seen too oft, familiar with his face,
We first endure, then pity, then embrace."

The Albuquerque Tribune July 28, 1959

Joseph Rendon, Republican, said today that he has received offers of more than \$250,000 to finance a campaign to unseat U. S. Sen. Clinton P. Anderson. "I received six telephone calls in the past week," Mr. Rendon said, "The people who offered to finance my campaign are friends of Lewis Strauss, or his friends' friends."

A CALIFORNIA CHRISTIAN

Comments On The Jews

GOVERNOR EARL LONG OF LOUISIANA is still being hounded by the subsidized press in an effort to establish the propaganda that he is a profane, boorish demagogue, whose political power is all that enables him to play hookey from the bughouse. According to them, Earl's brother, Huey, was a gentleman and a scholar, as compared to the Governor. In Huey's day, the fake mental health program had not been developed to the point where it could be used to liquidate political enemies, as it now is, — they had to be liquidated in the good old Commie fashion, — so Huey got the works.

Governor Long displayed an amazing lack of knowledge of the mental health weapon, when he fired Belcher, superintendent of the State Insane Hospital in which Long had been confined, and replaced him with Rosenthal. Some one close to the Governor should wise him to the fact that you do not have to be a political big shot in order to be taken into custody on a mental health charge of no validity, — anyone who makes it plain and says it loud enough that he has reservations as to questions of nationality or color rates a visit from the Men in White. When the Meningers, chief boosters for the national mental health program, took charge of the veterans' hospital in their home town, the first thing they did was to encourage admission of colored patients and place them in white wards. They served notice on nurses and all other help that anyone who believed in segregation must either resign or go under psychiatric treatment.

According to the medical profession, there are a number of drugs which can be given a patient who is completely sane, which will produce the effect of temporary insanity. One of these is benzedrine (amphetamine), which is harmless in small doses at infrequent intervals. However, large doses of benzedrine produce the following symptoms: extreme excitability and apprehension, loss of appetite and insomnia (both of which tend to rapid loss in weight); hallucinations and delusions of persecution, difficulty in breathing due to impaired heart action, — and finally, death, if continued. Psychiatrists in the Louisiana Hospital for the Insane reported that the Governor was suffering from hallucinations and delusions of persecution. After he was released, his physicians reported that he had lost forty pounds in the preceding month, and showed definite heart symptoms. Whereupon, the Governor very wisely left the state on a vacation. The latest news report we heard was a very sour statement to the effect that the Governor was continuing to improve in health and spirits and remain front-page news.

THE FOURTH OF JULY brought forth the usual oratory on this wond-

erful document, the Declaration of Independence, but the one most pertinent fact is never mentioned, — all of the signers were **White Christians**. **KHRUSHCHEV HAS STATED TO THE PRESS** that he does not intend to engage in war, — which reminds us curiously of F.D.R.'s "I promise you parents again and again and again." Visitors to Russia report that the people there do not want war; — neither did more than 80% of the American people want the Second World War, — which made the world safe for Communism. There is no system which man can devise which will usher an era of world peace, as long as the international bankers form the invisible government which rules all nations.

IKE'S FIRM STAND ON BERLIN has been a source of wonder to the general public. We have been wondering if he has come to realize very belatedly that he, more than anyone else, is responsible for the present Berlin crisis, because he held our troops back in order to permit the entry of Russian troops into East Berlin, at the end of the war.

FIDEL CASTRO may not be a Commie, as claimed by former members of his cabinet, but he must be a reasonable facsimile of one, judging by the continuous and lavish praise given him by the People's World, official publication of the Communist Party. **"TAX, TAX, SPEND, SPEND, ELECT AND ELECT"** has for the past twenty-five years been the slogan of both parties. We know that both of them will continue to tax and spend, — the only question now is which party will elect?

HUBERT HUMPHREY has announced that he is a candidate for the Democratic nomination, — a breach of political protocol, which is quite characteristic of Humphrey. In the meantime, Senators Symington, Johnson and Kennedy are still being coy, awaiting the time when they will be "drafted" by their loving friends and admirers.

Though Humphrey is apparently not aware of the fact, his role in the national convention is not one that will lead to his nomination, — the powers that be have long ago decided that. In every campaign, big or little, some one is assigned the job of dishing political dirt for the benefit of the press, — the kind of stuff that the top brass are too dignified to put out. Humphrey is a natural for this job, — a headline hunter, who never makes a statement without placing his foot firmly in his mouth. He will be right on the job, throwing political rotten eggs into the electric fan, — thus proving to the proletariat that the Democratic party is "the party of the pee-pul", — and at the same time diverting attention from the off-color deals being made in smoke-filled rooms. We predict that the Democratic National Convention will not only be a lot dirtier than the Republican Convention, but it will be a lot more colorful, — in more ways than one.

CONGRESSMAN JAMES ROOSEVELT OF CALIFORNIA has confirmed a recent report that he is a member of a syndicate which plans to open a sort of Disneyland amusement park in Puerto Rico. Apparently things in this country are in even worse shape than we had feared, judging from the fact that a Roosevelt has to change his base to another country in order to make a fast buck.

MORE "HATE ART". An English ecclesiastical court has vetoed the placing of an ultra modern statue of Christ in a medieval abbey. The monstrosity has been described as "a heathen idol of grotesque size and ugliness". This sculptured caricature of Christ by Sir Jacob Epstein is on a par with Bernard Rosenthal's "blow-torch" so-called sculpture of Christ, which was violently rejected in California several years ago. One look at this "beatnik" trash should convince any Christian that the **Jew is the anti-Christ**, and that all this talk of Brotherhood is just another example of **Talmudic double-talk**.

"PEACE, — IT'S WONDERFUL!" The Russian peace offensive was kicked off at the Communist-sponsored World Youth Festival by Paul Robeson, who made a savage attack on the United States and then told his audience that Nixon had gone to the Soviet Union to talk about peace, "because that country is really peace loving and he can learn something there". In the meantime, anti-communists in the meeting were beaten up when they tried to combat Robeson's lies and other lying propaganda. The net result of the shadow-boxing match between Nixon and Khrushchev was that Khrushchev gained his long-coveted invitation to visit the United States. Ike has been given an invitation to visit Russia following Khrushchev's visit here, but we have an idea that he will have had enough by the time Khrushchev has insulted him publicly and privately, — Ike's temper has always been very short.

As a result of Nixon's master diplomatic stroke which laid the groundwork for the invitation to Khrushchev, — the red carpet was rolled out for Nixon, which, in effect, pulled the rug out from under Herter, upon his return from the Geneva Conference. Will Rogers was so right when he said: **"The United States has never lost a war, and never won a conference"**. However, reflecting that the communist objective is to seize the minds of men, the continued losing of conferences, might mean that we would also lose the war, — it has been done in other countries.

WHEN NIXON CALLED MILTON EISENHOWER A FELLOW-TRAVELER, he was not fooling. It was thus he apparently paid off Ike's brother for his two weeks of heckling on the Russian trip. Nixon was well aware of Milton Eisenhower's close association with the Ford Foundation which is well to the left of center. The press guffawed, but apparently felt it was better policy not to include the dig in their stories of Nixon's arrival speech.

JOHN KASPER APPEAL

Women's Voice:

We are struggling for civilization in America. We are working for a nation which will present equal or greater opportunities to America's sons and daughters than the past has afforded them. We aim at the most intelligent white leadership in our various governments, Federal, State and local. **We stand for the Constitution of the United States as ratified in 1789, every word of it, as the greatest instrument of government ever devised by free men.**

Against this is barbarism. Against this is the return to savage, jungle life embodied in the murderous ideals of the Bolshevik and the Jews who conceived such a monstrous concept of life. Against this is usury and the international financiers, Federal Reserve racketeers, mostly controlled by the Jews of New York, Washington, London, Paris, Geneva, and Moscow. Against this is the present Supreme Court of the United States comprised of communist sympathizers, Jews, white-race haters, and radicals of the rooseveltian revolution which changed our government from a Constitutional Republic to a centralized welfare state with Jew-control at the top.

We realize that the Supreme Court's illegal decree of May 17th, 1954 would one day destroy the White race and give America the type of mongrelized slavish population that can easily be controlled by Jews and degenerate White men who put money—lust, and power—lust before the pleasures of spirit and the productions of the mind and body which may rightly be called "culture" and "civilization." This has happened elsewhere, most notably in Brazil, Portugal, India, and France. With our enormous Negro population there is no reason to suppose it won't happen here if the Supreme Court's UNCONSTITUTIONAL "law" is allowed to remain in force and effect.

Admiral John G. Crommelin, U.S.N. (ret.) one of the greatest living American patriots, and one of the outstanding leaders in the struggle to regain Constitutional government first brought to my attention the seriousness of the attack on racial separation throughout the entire nation, and from the time I had the privilege of Admiral Crommelin's friendship, I have worked incessantly to maintain white-race integrity and segregation throughout the United States.

Since 1951, I have worked steadily to bring more light on the matters carefully kept from the American public, when I first attacked the Federal Reserve System. Later I started bookstores to break the monopoly of book distribution exercised by left-wing international Jews all over America. And later, I attacked the

"mental health" racket which again is a Jew-ridden occupation designed to control all non-Jews who stand against their aims to rule the world.

Over a 3 or 4 month period in New York, I attempted to alert New York Negroes to the fact that they are being duped and used as instruments of the Jews in their insane drive to enslave the **non-Jewish population** of all countries. This period, however, only one phase of a nine year effort to "enlighten" and "educate", has been the subject of great controversy, smear in the Jew-press etc. There has been far more heat than light, and I am confident that in time all will fall into its proper place and the time.

I tried to be a "missionary" among the Negroes in New York will be seen as something honorable and actually very advanced as a measure to counter the widespread use of the colored people as a wedge of the Jew to open doors that should remain shut.

Charlottesville, Virginia; Clinton and Nashville, Tennessee, you have heard about. You would think I was telling you a fairy tale, if I described one illegality after another, used by Federal Judges, Chiefs of Police, Mayors, etc. to crush the **people's spirit of resistance to integration** of the White race with the black.

I can tell you today that they have never crushed my spirit of resistance, and I don't think they have crushed the resistance of the American people. They have increased my resistance and don't forget that I was railroaded to jail for a year, tried five minutes after I was arrested in a Federal Court, and without benefit of a jury trial.

On February 28th, the 6th Circuit Court of Appeals in Cincinnati affirmed the conviction of myself and six citizens of Clinton, Tennessee, for "contempt of court". If there ever was a case of people being railroaded to jail, this was the one. Someone gave a preacher who escorted some Negroes into Clinton High School a bloody nose. The Federal Judge, Taylor, in Knoxville had 16 people rounded up on a vast conspiracy charge. Later, he had me hauled in two months later, even though I was 700 miles from Clinton, in Washington, D. C., when the preacher got the bloody nose. The Government went to trial six months later, and 7 of the 16 defendants were found guilty, but only old **John Kasper** got any time, "6 months in jail" and the other 6, including a woman, were given probation (keep your mouth shut) ranging from 1 to 2 years.

Now the jail part doesn't worry me. I am ready to go right now and be done with it. I don't want to sound dramatic, but I would gladly go to jail for life, or lay down my life in sacrifice, this minute, if it would return this country, the United States

of America, to sanity in its government, and the Constitution given us by the Founding Fathers. That would be a cheap price to pay. (Ed.: As I talked with John Kasper, I felt this simple yet lofty dedication to America flow from him.)

It is **ESSENTIAL THAT I APPEAL THIS IDIOTIC INJUSTICE** up to the Supreme Court. Yes, the case must be taken to the very bunch of varmint who have sold this country out to the commies, Jews and pimps of high finance. Why? In order that we might have their stamp of approval, if you please, on the illegality all along the line, from the arrest, through the trial, and now through the appellate court. It is another nail in their own coffin, another monumental evidence of how "offside", illegal, and unconstitutional they are. It is the very seed of their own destruction, and we must make them pick up the gun and blow out their own twisted brains.

Also, here in Nashville, after I was "rehabilitated" in Federal prison for a year, I went to trial on an "inciting to riot" charge. The charge was made before I went to prison but not tried 'til after I got out. It was a great comedy; the strutting judge beamed benevolently out at the court on this "big case", with a nicely stacked jury of big silk-stocking muckety mucks. **The witnesses lied in fear of being beaten by police again, as they were at the time they were arrested.**

Thousands and thousands of people heard me speak at various times in Nashville but **NO ONE HAD EVER SEEN A RIOT!** I never did, and none of the state's witnesses ever did. The Judge said in his charge that the state would have to prove a "riot" actually occurred. **SINCE THERE NEVER WAS ANY RIOT ONLY A HYSTERICAL JEWSPAPER-PRESS hungry for sensationalism, the Judge should have directed a verdict of not guilty to the jury.** But the farce went on, and I was found guilty, sentenced to 6 months on a local chain-gang, a \$500.00 fine and astronomical court costs which run into thousands of dollars, trial records included.

I have had wonderful friends in this struggle . . . no man has ever had truer friends than I have had. Among them are lawyers who have worked tirelessly to defend me from case after case of injustice. They have worked without compensation, even though their defending me has worked reprisals against them financially, and otherwise. Nevertheless they have stuck with me all the way, **J. Benjamin Simmons, 1010 Vermont Avenue, N.W., Washington, D. C.** on the Federal cases, and **Judge Raulston Schoolfield and his law partners, Excell Eaves, John Taylor, Dome Building, Chattanooga, Tennessee.** Also **Mr. James Carroll** of Chattanooga is defending me with Schoolfield, Eaves,

Continued on Page 12

Continued from Page 11

and Taylor in the State case on appeal. I can state truthfully that these men have not been paid a dime for their work, not even their own personal expenses. They have defended me because they know that I was railroaded and justice cries out for acquittal.

NOW I must have money to continue the legal struggle. There is no going on without it. **I have made my part of the fight for the Constitution on a shoestring and a mouthful of air.** Whatever financial help I have ever had has been the nickels and dimes of the poor, oppressed people who suffer most from racial integration. Contrary to popular belief, I have never had "big backing", and have never wasted time seeking it. I have lived hard and close to the land to keep on keeping on. **No one has asked me to, and no one can stop me . . .** until there is responsible representation of the needs of the American white people in every legislative, judicial, and executive body in the United States Government and all its political subdivisions.

This is the first personal appeal for money I have ever made. I would not make it now were it not imperative and absolutely necessary. My ability to continue depends entirely upon how much of a personal sacrifice of money you are willing to make. **Liberty is not only a right, it is a DUTY.** Every man and woman must pull an oar sometime if we are ever going to come out. We will not be free men and women if we do not, **each one of us, strike some blow for liberty.**

There is much that can be done in this battle without money. I have proved that because I have not had any money to work with, not in any quantity. However, legal entanglements can't be avoided and fines, court costs, bonds, etc. can't be put off. Briefs must be printed, motions must be filed, transcripts of trials must be available for the appellate courts, and even when patriotic lawyers donate so much of their time and services, there are expenses in court costs, which simply can't be put off on the lawyer and must be paid by the defendant.

This is an appeal which I would like to send to my friends all over the United States. If you can't do any more than send stamps, I would be very grateful for that . . . it will help get this appeal out. If you want more copies of this appeal, why not get it printed where you are and send it out? If you can't do that I will be glad to send you more, just write.

Any checks or money orders should be made out to John Kasper or to the attorneys above.

Yours, for white-race integrity and the Constitution,
John Kasper

A Doctor is Born

By Dr. W. D. Chesney

Quote from jacket:

Here it is at last; a book by a doctor who dares to tell the truth about medical trade unions, malpractice, kick-backs, fee-splitting, unnecessary surgery, ghost surgery, food poisons, poison sprays, drug monopoly, medical rackets and a host of other crimes against the traditions of the Hippocratic oath.

These are the lifetime notes of a General Practitioner, now too old to practice, but determined to reveal the evils that medical monopoly bottled up for a half-century. Here is a **fearless indictment, backed up by documentary proof**, of the terrible menace to public health of POWER-MAD and MONEY-MAD medical associations, to say nothing of the all-too-many doctors to whom their **Hippocratic Oath is meaningless.**

It is NOT an attack upon doctors in general, nor on the practice of medicine in toto; it is directed only against those **knaves whose nefarious practices** must be exposed to save the lives and health of thousands who will suffer or die needlessly because of greed, carelessness and ignorance. Many good doctors know the truth, but cannot speak, because to do so would mean personal financial disaster, and ousting from practice.

Dr. Chesney pulls no punches and can prove every word he says.

QUOTES FROM

"A DOCTOR IS BORN"

"Some of the great satesmen, sportsmen and bankers have recently died from cancer. They let the A.M.A. doctors lead them through their whole bag of tricks—and died horribly. In the meantime there are several known cures for cancer: Hoxsey, Lincoln, Drosnes-Lazenby, Koch, Krebsiozen, etc. The Tobey Senate Committee thoroughly investigated them, particularly the Hoxsey treatment, employing an official of the U. S. Justice Dept. The report given by this one honest investigator, **Benedict F. Fitzgerald**, clearly indicated that Hoxsey was curing all types of cancer. The report castigated the use of surgery, X-rays and radium in treating cancer. . . . Sen. Tobey died. The chairmanship was handed by the political scoundrels in our once free and decent government, to a man named BRICKER. Bricker thrust this report—the **most important report to a congressional committee since the war of 1812**—into a pigeon hole. (Ed. yet some deluded Nationalists still

erick John Kasper. 65 cents is the quoted price, but it is worth \$1.00, and much more, for it is a chapter in the life of a great, young American. The intelligence, integrity, loyalty and courage of this young American, will warm your heart and strengthen your own fighting spirit for America.)

defend "the Bricker Amendment and honest John Bricker".) Since the man from Ohio hid or destroyed the work of Sen. Tobey's commission . . . many prolific doctors . . . have been spreading the villainous propaganda that the only hope in cancer is surgery, X-rays or radium. . . . One of this kind of doctors, who like Morris Fishbein, has probably never had a patient in his medical career, writes a medical column for the Chicago Tribune—one DR. VAN DELLEN. . . . A true A.M.A. disciple (is he a disciple of Hippocrates?), he damns known cancer treatments that succeed after A.M.A. type treatments fail. . . . It appears that one can get away with anything if he is a writer for "THE WORLD'S GREATEST NEWSPAPER." "Sometime ago Van Dellen in the Tribune, ran an article telling of men, not physicians, he said, who learned a mess of medical slumgullion, and then used it against scientific medicine. **SCIENTIFIC MEDICINE**, my elbow! Medicine is not a science; it is pure empiricism, trial and error. Did you ever go to an A.M.A. doctor and consult him about anything from alopecia to zoophilla? He gives you a prescription, you take it, get worse,—he tries something else until **nature cures you**, or the doctor's prescriptions kill you. **TRIAL and ERROR**. However, **medicine worthily and honestly practiced, is the noblest of all professions.** But it would be far better if it called to its aid, Chiropractic, Osteopathy, Nature, holding in mind the statement of Prof. Benjamin Rush, of America's largest and probably best medical college in existence: "REMEMBER HOW MANY OF OUR USEFUL REMEDIES HAVE BEEN DISCOVERED BY QUACKS."

This wise old doctor adds that "**prayer and faith cure**", and proves it in refutation of: "Ubi tres medici Ibi duo Athei." (Where there are three doctors two are atheists.) He exposes the horror and uselessness of vivisection; there is no such disease as Asiatic flu; "It was a dark day in this country's history when a chief executive hugged and lauded an A.M.A. doctor because of his vaccine SUPPOSED to prevent polio"; he calls commercial bread "the crutches of death"; "Of the 90,000 deaths yearly from TB in America, 5,000 are caused by eating diseased meat and drinking cow's milk"; "It would take two years to run tests on the known poisons already in our foods"; "Fitzgerald points to the conspiracy existing between A.M.A. and sworn officials in a Gov. bureau—the F.D.A."; "butter color was known to be cancer causing, and was made from coal tar". (Ed.: No wonder Mrs. Roosevelt is so sorry that all the "poor people all over the world", can't have some **nice oleo for their breakfast.**)

I have given this long review of a book which I consider a **must** for

Maj. Gen. Count Arthur Cherep - Spiridovich

Author of "The Secret World Government"

The following are some of the data concerning Count Spiridovich, one of the really **pioneering exponents of Jewish subversion** in this country. The data I have gathered from several persons who knew him personally.

Born in 1868, the Count was a wealthy man in Russia at the time when the Bolshevik Revolution took place in 1917. He had a wife and two sons. He was a man of noble, religious character—a Catholic. He had a hundred barges on the Volga River.

On the morning of the Bolshevik Revolution, as he was walking along the street (in St. Petersburg?), going to his place of business, he was met by Mr. Marsden, an American journalist, who stopped him and said to him: "**I am coming from the Cheka Office. There I saw the list of those marked for liquidation and your name was at the top of the list. If you want to stay alive, you better get out as fast as you can.**" The Cheka was the Secret Police during the first five years of the Bolshevik Regime.

Get out? He did. He left without delay. In his flight he was apprehended by the police in Archangelsk. He was being held in prison awaiting further disposition of him by the au-

everyone who loves their children. It may help counteract that slavish belief that anything **heard on radio**, or **seen on T.V.**, or recommended by a Dr., or **done by the Health Dept.** just has to be **true and good** for the people.

The Dr. does not leave us hopeless but gives the remedy: "Retire every official in political power. I mean every one. Stop voting for party. Start right at the bottom and vote men in who will make **public confessions and oaths** that they will right the wrongs, or retire on demand. Drop the 'Ex post facto', for public officials who have conspired for our downfall. Try political crooks, career officials, and such like for treason.

"It is already too late to help this generation. It would take ten years to put a stop to food poisoning. But most of us all have descendants. Can we face, dare we bear the fact, that we are sentencing millions unborn to disease, agony and early death?"

"Let's act now to save the world from our own selfish crawfishing in-anition. Never forget that the sin of omission is on a par with the sin of commission. DEMAND full investigation of these horrible conditions, and a complete correction at once!

thorities. Then came along some kind of holiday, when the police—the gendarmes, so-called—were busy celebrating with drinking, dancing, carousing. Whilst these drunken sprees were going on, he managed somehow to escape from prison and continued his journey from Archangelsk, going always East, passing the U. S. and on to England. In England he settled in London and spent **18 months in the British Library and Museum.** There he searched through hundreds and thousands of volumes of books to find the answer to one question: **Who is behind all the trouble—the turmoil and chaos, the revolutions and wars in the world? That was the one and only question to which he wanted to find an answer and a solution.** And he found it — after thumbing through hundreds and thousands of volumes. The ANSWER he wrote up in the book — a large pamphlet of 196 pages — which he published under the title: "**THE SECRET WORLD GOVERNMENT**" or "**The Hidden Hand**", which he further characterized as "**THE UNREVEALED IN HISTORY—100 Historical MYSTERIES explained.**"

He had had difficulties in getting it published. He failed in England, so he came to the U. S., where likewise mountains of difficulties met him. Finally he succeeded, but troubles were not over. **The publishers were intimidated and threatened and really hounded.** The stock had to be moved to various places of safety. Three fires of incendiary origin threatened the total destruction of the edition. Many of the books were burned or damaged by fire and water. That is why many copies are found that are damaged, but were salvaged from the fire and still distributed. Many of them were destroyed, but enough of them got around. Any copies that find their way to second-hand book-stores are **immediately picked up at any price by the Jewish book-burners**, destroyed and taken out of circulation. For many, many years they were a "rare item" that was sought most eagerly by all who wanted to know the answer to the same important question that baffled Count Spiridovich.

Unbeknown to me, and never mentioned by my friends, was the fact attested to in my copy which contains a typed "insert" before the title-page, that "The Secret World Government has been published in the **Russian, German, Swedish and English languages**". The reprinting of this book in 1957 is a distinct contribution to the welfare of society and the world.

The book, as originally published, was written in a telescopic style, as anyone will notice. There was a reason for it: The Count was under great strain. **He had in one stroke lost everything: his wealth, his home, his wife and his sons.** His future was completely dark. He had made some

very startling discoveries, which haunted him day and night. All of that kept him under terrific tensions and influenced his style of writing

He located himself in Chicago and with the help of some others whom he convinced, started a newspaper called "**Common Cause**", as far as I remember. He began through that medium to **warn the world against Jewish subversion.**

The book just published and the new periodical made him the target of special attention by the "**Brotherhood Boys**" — the Jews. He was shadowed, harassed, persecuted, threatened, hounded and sabotaged by them. Nothing was too mean to be used against him. But he faced it all and refused to be stopped, even though it would cost his life. **His one absorbing thought was to warn the world against those wreckers of Christian civilization.** He was willing to die for "The Cause". **And die he did**, as we shall presently see. The "insert" in my copy mentions the fact in these words: "**Shortly after the publication and first distribution of this book, the author was found dead under the most suspicious circumstances**". According to that same source it happened in 1926. The following are some of the details:

One day the news came that Queen Marie of Roumania was coming to visit the U. S. He immediately decided to get in touch with her and to warn her of the evil influence of the Jews. For this he went to New York to meet her.

When in New York he took a room in a hotel, a corner room where he could better watch on those shadowing him. He knew that on his way from Chicago he had been shadowed by two Jews who then located themselves in another hotel, just kitty-corner from his, whence they could observe him going in or coming out. He was under constant surveillance. Soon these two Jews moved into the same hotel where he stayed and there continued to watch every step he made, day or night.

Then one day Count Spiridovich was found dead in his own room, his mouth pressed to a gas-cock, as if he had committed suicide by imbibing gas. The police, called to the scene, pronounced it murder in view of the peculiar circumstances which they found, as we shall see. And such was the first report that appeared in the New York newspapers. Immediately, however, as so often happens in such "**planned accidents**", **engineered by the Jews**, of which the gullible public (the contemptible "goys", to use the expression of the Talmudic "Brotherhooders") is woefully ignorant, the report was changed and the death was pronounced a "suicide". Jewish influence in "Jew York" kept it so,

Continued on Page 14

Continued from Page 13 - notwithstanding the evidence against such a decision. The evidence was against the suicide theory. And here are some reasons: **The gas-cock, against which his mouth was pressed, was closed. No gas was escaping from it.** Hence there was not and could not be any asphyxiation by gas. Whatever the cause of death, and that was not published but guarded as a secret, it was not asphyxiation by gas. Definitely—not!

Secondly, the Count was a fine, upright, noble character, a religious man, a practicing Catholic of excellent caliber. Nobody could ever cast any aspersion upon him. He was far beyond the ordinary type and of strong religious, Catholic principles. He was beyond all suspicion—**truly noble by birth and noble by character and convictions.** Those who knew him well, considered him incapable of such a dastardly act as suicide, and they discounted completely the suicide theory. They believed strongly that it was nothing less than brutal, cold-blooded murder by those whom he was exposing.

From then on I have realized and become convinced, very much against my own will, a) that "**planned accidents**" and "**planned deaths**" are not impossible nor "rare occurrences", as certain doped and dopy Americans still continue to think; b) that they are used and used often enough, after smear-campaigns and character-assassinations have failed, to put out of the way, those who dare to tell the truth about and to "**blow the lid off**" the "**secret forces behind revolution**" i.e. the **Secret World Government**" as Count Spiridovich calls them; 3) that among the victims were, according to very good and reliable evidence, men like **Huey Long** (despite his quirks, for which no excuses are offered), **Senator Lundeen, General Patton, Bernardotte, James Forrestal, Senator Joseph R. McCarthy, Henry H. Klein**, etc. Adding to and further expanding the data given in that book by Count Spiridovich, came in turn a long list of books by various authors like the following:

WEBSTER, Nesta: Secret Societies and Subversive Movements; World Revolution; Socialist Network;

QUEENSBORO, Lady: Occult Theocracy (2 vols.)

ROBISON, John: Conspiracy Against All Religions and Governments;

BARRUEL, Abbe: Memoirs on the History of Jacobinism;

De PONCINS: Secret Powers Behind Revolution;

FRY: Waters Flowing Eastward;

KITSON, Arthur: Fraudulent Gold Standard; Scientific Solution of the Money Question; Bankers' Conspiracy; Money Problems;

SODDY, Fredrick: Wealth, Virtual Wealth and Debt; A Modern Pilgrim's Progress; Role of Money; Money Vs. Man; Money as Something for Nothing.

HOLLIS, Chr.: Breakdown of Money.

FAHEY, Dennis, Rev.: Money Manipulation and Social Order; Mystical Body of Christ in the Modern World; Mystical Body of Christ and

the Reorganization of Society;
VICKERS, V. C.: Economic Tribulation;

MULLINS: Federal Reserve System;
VENNARD: The Federal Reserve Corporation;

COOGAN, Gertr.: Money Creators; Money, Questions and Answers; Lawful Money Lessons;

STERNE, Julian: The Secret of the Zodiac (the title is no index to the contents).

KNUFFER, George: The Struggle for World Power.

MARSHALCO, Louis: World Conquerors.

These are only a few of the many books that contain the **true** story of the World Conspiracy or World Revolution and the "Secret Chiefs" working with deadly precision and doggedness behind the scenes of World Politics. Some of them are extremely rare specimens, which the world's real "book-burners" have all but completely destroyed and taken out of circulation. Others have found their way into circulation in spite of the millions of dollars spent to smear, black-mail and assassinate the character of the heroic authors and to buy out of circulation those in existence, as they did with the original edition of "**Phillip II**" by **Thomas Walsh**.

When, Oh when, will gullible Christians, gullible, dopy and doped Americans, awaken to the catastrophic dangers that are now, with relentless effectiveness, moving down on them like a huge avalanche with a 10-million ton impact.

In conclusion, let me make mine the recommendation the Count placed at the head of the second title-page: "**READ this book and the WORLD will NEVER again seem the SAME to you.**" When you have read this book—**The Secret World Government**—follow it up with some of those mentioned above, the list of which could now be many times prolonged, and you will see and experience for yourself that **really and truly "the WORLD will NEVER again seem the SAME to you"**. And you will join the ranks of those **heroic** and too few patriots—and heroic they have been and are—who have carried on, with terrific sacrifices of comfort, happiness, friendships, reputation, family, positions, possessions, health and life itself, the **gigantic battle for God and Country, against the International Satanic Cabal hell-bent on destroying CHRISTIAN CIVILIZATION.**

WHAT THINK YE OF THE ALAMO?

Dear Sir:

As I prepared my Sunday School Lesson for the coming Lord's Day, I read your notes in The Bethany Bible Teacher. I have become accustomed to the communistic teachings and mongrelization ideas of the other commentators (M. E. N. Lindsay notably excepted), and was not prepared to read your statement in the June 8 Lesson, 69-T, Page, Item 2. You say this:

"Nationalism is one of the subtle, insidious evils that stands as a barrier to universal government. The suprapatriotism that says 'My nation right or wrong' is an illustration."

This is stated among a list of things as competing gods, systems or masters. Thus it seems as clear as you dare to make the statement, that **patriotism is an evil. In my humble opinion no more evil assertion can be made.** Without patriotism the world would still be wallowing in ignorance and superstition. In New Guinea, Australia, and other places you will find people who have no love of country. What are they?

This nation was won by patriots, its freedom established and preserved by men and women devoted to their country, its customs, laws and institutions.

Destroy this nation, and who is there to go about over the world in the pursuit of "raising the living standard of backward peoples"? Where would Henry Wallace get his "quart of milk a day for Hottentots"? As it is we have an army of parasites infesting the world, fawning, drooling, and meddling with these "backward peoples," and giving away the money exacted from American taxpayers. Now who in the hell made these peoples backward? Who made them undeveloped? Man is estimated to have been on the earth for 100 million years, and a majority of the peoples of the earth are where their own ability placed them. The millions in Africa have not been molested. In all Africa South of the Sahara desert, the Negro has lived his own sweet way. Is he, or they, ready to enter into a "universal government"? If so, what would it be?

I think our President and our Supreme Court deserve hanging by the neck, and our Congress should be made to live in the countries to which they are voting our substance. But, I am willing to fight to the limit any people that invades our shores or violates our rights.

You live in Texas. What think ye of the Alamo? The Texans say: "Thermopylae had its messenger of
