With regard to your trunk weighing about

PELTOURS LTD.

TRAVEL SERVICE IN THE MIDDLE EAST

LONDON, S.W.1

~~ca. 63 kg~~

50 to 60 kg we believe that it would be most economical to have the trunk sent to Liverpool under the collected luggage arrangement.

The free baggage allowance of 15 cubicfeet on board the steamer covers usually one trunk, so that no excess charges should be payable in this respect.

Always at your disposition for any further information required, we are,

Yours faithfully
PELTOURS LIMITED
